

NEW KN-366Hi Electric & Intelligent Water Activated Tape Dispenser

Introducing the all-new **KN-366Hi** Electric Water Activated Tape Dispenser—a cutting-edge packaging solution that seamlessly blends advanced technology with design simplicity. Building on the intelligent functionalities of the KN-366 Series, the **KN-366Hi** features a completely reimagined user interface for an even more effortless operation. We understand packaging can sometimes be complex—that's why we made our solution SIMPLE for you.

It's innovative. It's intelligent. It's intuitive. It's the **KN-366Hi**.

Features & Benefits

- 01 **Intuitive User Interface:** So intuitive that anyone can operate it with ease.
- 02 **Manual Dispensing:** 9 preset buttons and 3 custom buttons, all fully programmable on the touchscreen (press + or – to adjust).
- 03 **Auto Dispensing:** Automatically dispenses tape at any time intervals you need (default at 5 seconds).
- 04 **IntelliSense Dispensing:** Touch-free dispensing triggered by hand motion, at your own speed.
- 05 **Usage Data Logging:** Daily record of length of tape dispensed and number of boxes sealed; accumulative record of length of tape dispensed and number of cuts made over time.
- 06 **Cutting Precision:** Tape length accuracy within 5 mm, minimizing material waste for cost-effective packaging.
- 07 **Enhanced Tape Capacity:** Now supports 1,000 ft tape rolls, reducing the need for frequent changeovers.
- 08 **Port for Connectivity:** Seamlessly integrates with your packaging assembly line for autonomous operation.
- 09 **Low Water Alert:** A screen warning and buzzer alert when water is low, ensuring the tape remains properly wetted for a perfect seal.
- 10 **CE Certified:** Meets international safety standards for complete peace of mind.

Specifications

PRODUCT	KN-366Hi Water Activated Tape Dispenser
Dimensions	21.5" L x 10" W x 11" H (550 mm × 252 mm × 280 mm)
Net Weight	28 lbs (12.5 kg)
Gross Weight	31 lbs (14 kg)
Voltage	100 V–240 V, 1A
Battery Capacity	/
Tape Roll Capacity	1000 ft / 305 m (10" / 250 mm in outer diameter)
Dispensing Speed	40" /s (100 cm) per second
Water Reservoir Capacity	1.3 L
Certification	CE
Warranty	2 years for parts, 6 months for labor.
